### Welcome Jennifer!

Hello! My name is Jennifer Johnson and I started working at Dover Library in January. Working on collection development and supervising volunteers, is new territory for me and I'm excited to have the opportunity to learn new things. It never ceases to amaze me how much the Library has to offer as a place to learn for everyone - from kids to adults! I have worked for the York County Library system since 2011 as a staff member at Kreutz Creek, where I am responsible for Tween and Teen programming. Prior to that, I volunteered at Kreutz Creek. I have received a very warm welcome from staff, volunteers and patrons at Dover and I look forward to meeting all of you. Stop in and say hello -
I'm here Mondays, Wednesdays and Fridays!
