Actualización en español!

Martin Library tiene muchos programas interesantes para niños, adolescentes y adultos. Comenzamos el mes con la graduación de nuestros primeros 1000 libros antes de Kindergarten para bebés hasta los 5 años de edad. Nuestros programas para adultos tienen tres nuevos programas: TechTime para ayudar a los miembros con preguntas sobre tecnología, “¡Obtenga ese trabajo!” Taller diseñado para brindar ayuda personalizada en la preparación de currículums y cartas de presentación, y Películas en Martin para adultos. La campaña de capital continúa trabajando para recaudar 10 millones de dólares para las renovaciones en 3 bibliotecas del condado. Nos encantaría que los miembros bilingües se ofrezcan como voluntarios para ayudar a servir mejor a nuestra comunidad. Pregunte en la recepción por una solicitud.

Art in Martin

We love to showcase local talent on our library walls. The theme for August is **"Light and Shadow".** September's theme is **"Futurism in Art."** Please walk around the library and see what amazing creations that are on display. Stop in and take a look! Sales benefit the library.

1000 Books Graduation

York County Libraries celebrated the first class of graduates from the 1000 Books Before Kindergarten program on August 1, 2019. Since the launch of the program on October 1, 2018, the 13 libraries across the county have registered over 1700 early learners from birth through their first day of Kindergarten. We had over 60 children who completed 1000 books and were eligible for the graduation this year. Any child finishing after July 1, 2019 will be a part of the 2020 graduation.

The day long celebration on August 1 included a workshop for parents of the 1000 Book members, Early Child educators and librarians featuring workshops by author Kelly Starling Lyons, two behavior specialists and a keynote from Sara Bradley of PA Partnerships for Children.

The evening featured a special program for the graduates and their families. Our guest, author Kelly Starling Lyons, read one of her books for the children and gave a short talk for parents and did an activity with the graduates. A formal graduation ceremony and reception followed the main program. Parents and children then had the opportunity to meet Kelli and get their special gift book autographed.
