Join us **Wed, Aug 2nd** at 6:30 pm to find out about one of the oldest and most popular methods of home food preservation: canning. Learn how and what can be preserved for your family, safely and tastefully with Kelly Bailey, an experienced canner and instructor. This program is free and does not require registration.

We will have a limited number of filtered glasses available for safely viewing the solar eclipse Aug 21st. Ask at the front desk.

Donations for Autumn Book Sale

We will begin accepting donations for our autumn Used Book Sale on Monday Aug 21st. Books must be in good condition. We will also accept DVD's, music CD's, audiobooks on CD, and puzzles. Please, **no** VHS or cassette tapes.
