What does healthy soil have to do with a healthy body? Everything!

Join libraries throughout Central Pennsylvania to read Dr. Daphne Miller's **Farmacology: Total Health from the Ground Up**.

Then, complete a survey and enter for a chance to meet the author at a private reception in September. Bring the family to visit a working farm at the program below.

Visit your library or transforminghealth.org to enter to win.

Food - From the Ground Up

Saturday, August 19, 2017 10am -12pm

Horn Farm Center for Agricultural Education

4945 Horn Road, York, PA 17406

Spend a morning learning about growing food from the ground up. Healthy soils are essential and full of life. You are what you eat.
