## SAVE THE DATE!

### A TEA WITH FRIENDS

Thursday, September 6, 2012

All the Friends of the Library are Welcome

4:00 - 6:00 pm in the John D. Bare Center at the Library!

Come join our group which numbers over 300 people to share in friendship and fellowship with a light tea and refreshments. We'll catch up with one another, share ideas for fundraising, discuss future plans and how you might volunteer for this worthwhile organization. Reminder postcards will be sent.

### Letter from our President

Spring is here! Well, actually, Spring has been here since February. We were certainly lucky with our mild winter and, if you are anything like me, you are counting that as a blessing!

Did you come to Multicultural day's last month? If you did, you were not alone! More than 1,000 people passed through the library on March 17 to celebrate the diverse cultures in our community. Part of the success of this program was due to the extensive publicity for the event paid for with funds raised by the Friends of the Library. Hopefully, the Summer Reading Clubs for Children's, Teen's and Adult's will be as successful. These programs also benefit from funds supplied by The Friends.

Judy Lundquist is in desperate need of gently used children's books for the Used Book Corner. Books for children literally fly off the shelves so please think of the library when you are doing your spring cleaning. We take adult books too, of course. The money we raise from the Book Corner is substantial and all goes to support Library programs.

Please mark September 6, 2012 on your calendars. The Friends are planning an all membership tea for that afternoon and everyone is invited. Details will be available later in the summer.

Have a great Spring!

### BOOKS NEEDED

Each month, the Friends of the Library raise approximately \$600 towards Library programming from the sale of coffee and gently used books. These monies are critical to the continued free programming that the library offers.

BUT in order to maintain this pace, WE NEED BOOKS! Please donate your gently used children's and adult books to the library so we can continue to generate funds for worthwhile programs. Prices are quite reasonable—from 25 cents to \$2.00 and the supply is dwindling. Call 632-5183 to find out how to donate!

## Please Visit Our Art Displays

Each month, talented local artists take the time to display their work on the Hormel Balcony above the Hormel Reading Room. They choose their work carefully, display them creatively and hope that many come to view and purchase their work. We have gathered a bevy of craftsmen.

During May a silk cloth painter will display her work. This medium is a first for the library. Then, this summer, area high school students will display their work. The schedule is as follows:

**May—Michelle Murphy**

**June — Hanover High School**

**July—Delone Catholic High School**

**August—South Western High School**
