

Overdrive® Media Console requires iOS v4.0 (or newer)

A. Installing Overdrive® Media Console for Android™

1. To install OverDrive Media Console for Android go to this address:

<http://www.overdrive.com/partners/redirects.asp?product=OMCForAndroid>

The license agreement is displayed.

OverDrive Media Console for Android is also available for download at Android Market.

Note that some apps cannot be downloaded to some phones from Android Market.

2. To continue, select 'I Agree'.

The installation file is downloaded and displayed in the 'Download history'.

3. Click the file.

You may receive a message that says 'For security, your phone is set to block installation of applications not sourced in Android Market.' If you receive this message, adjust your Settings as follows...

- o Click 'Settings'.
The 'Application settings' dialog box opens.
- o Check the box next to 'Unknown sources'.
A warning message is displayed.
- o Click 'OK'.
A green check mark is displayed.
- o Click 'back' to return to the 'Download history' page.
- o Click the file to begin the installation.

A dialog box opens and prompts you to confirm you want to install OverDrive Media Console for Android.

4. Click 'Install'.

OverDrive Media Console for Android is installed.

5. Select 'Open' to open OverDrive Media Console, or 'Done' to complete the process and return to the 'Download history' page.

6. (Optional) To disable the installation of applications not downloaded from Android Market...

- a. From the Android 'Home' screen, click *Menu > Settings*.
The 'Settings' dialog box opens.
- b. Click 'Applications'.
The 'Application Settings' dialog box opens.
- c. Click the green check mark next to 'Unknown Sources'.
The check mark turns gray and the installation of applications not sourced in Android Market is disabled.

Android is a trademark of Google Inc. Use of this trademark is subject to [Google Permissions](#).

How to Authorize OverDrive® Media Console™ with your Adobe® ID

Whenever you use a new computer or device for eBooks from an OverDrive-powered site, you will be prompted to 'Authorize'. Follow the instructions to complete the steps.

1. A prompt will display the first time you download an eBook to OverDrive Media Console for Android™.
2. Select 'Settings' and enter your Adobe ID and password.
If you do not have an Adobe ID...
 - a. Select 'Register at Adobe.com'.
 - b. Follow the instructions to sign up for an Adobe ID.
 - c. In OverDrive Media Console for Android, go to *App Settings > eBook Options*.
 - d. Enter the email address and password for your new Adobe account.
3. Select 'Authorize'.

Important: If you would like to download an eBook to another computer or device, be sure to authorize using the same Adobe ID.

How to Check Out an EPUB eBook
