

"It really is an opportunity for me to augment my children's education... The ability that they have to come to the library and develop their imaginations; there's no other resource in the community that gives them that opportunity."

JT Hand, C.O.O. of The York Water Company

Dear Library Advocate,

Once upon a time, Martin Library was considered just that—a library. This year marks the **75th Anniversary** of the Library's grand opening, and we're celebrating our transformation into a thriving community center, made possible by the support of donors and **Library champions like you.**

Your gift to this year's **Annual Appeal** will enable us to propel into the future with greater success in *sparking* imaginations, *nurturing* a love for reading, *exciting* the minds of children, and *encouraging* lifelong learning in all of our patrons, young and old.

Last year, gifts to the Annual Appeal helped *restore* our children's and teen programming, and book collections. This year, we ask that you consider [making a gift](#), so that we may continue to offer vital library services, which touch so many lives in our community.

Sincerely,

William H. Schell
CEO
Martin Library

On behalf of our 41,000 monthly visitors, we thank you for your consideration and hope we can count on your participation this year with a gift to **Martin Library.**

Rob Kinsley
President
Martin Library Board of Directors
