It's that time of year again! Our young readers are invited to register for Summer Quest, the 2019 summer reading program. Log program participation and reading minutes online to earn prizes. Programs and events will be happening here and at all York County libraries all summer long. Stop by the desk to learn more, or visit

www.yorklibraries.org to register. This year's theme is A Universe of Stories, so many of our programs will be related to space and exploration.

Thanks to everyone who participated in **Give Local York!** We raised over \$5800 for the library, and look forward to seeing you again next year.

Adult Summer Reading Program

We are again holding a weekly prize drawing for our adult summer readers. Sign up at the front desk then, for every book you read or audiobook you listen to, drop a slip in the book slip box. There will be one winner a week. To enter our grand prize drawing for a basket full of goodies, play Book Bingo (more info available at the front desk).

Volunteers Needed

The Library is always looking for a few good volunteers! Volunteers are needed to staff the circulation desk. Training provided. Call the Library for more information (717-432-5613).

Tech Time

Meet YCL's new tech specialist, Anisha, as she resumes our monthly program that provides answers to your tech questions. In addition to helping you with your devices, each month Anisha will highlight some of the system's digital databases and resources. This month, she'll talk about Rocket Languages and the PA Driver's Test site.

2019 Summer Read

A Mother's Reckoning Living in the Aftermath of Tragedy by Sue Klebold has been chosen as the 2019 Summer Read. Sue Klebold is the mother of Dylan Klebold, one of the two shooters at Columbine high school in 1999 who killed 13 people before ending their own lives. On this 20th anniversary, we reflect on the issues of mental health problems and violence that intersected to create that incomprehensible horror. Look for book discussions throughout the summer at area libraries.

Artist Gallery

For the months of May and June, our gallery walls feature the art of several members of the Hanover Art Guild. Their works include photographs, pressed flowers, colored pencil sketches, and clay monoprints. Stop by to enjoy the variety during our regular open hours.
