**The Dillsburg Library will be closed Thursday, July 4th for the 4th of July!**

Summer Quest for both adults and children continues at the library. It is not too late to sign up for either program. Adults can sign up at the front desk and children can register at [www.yorklibraries.org](http://www.yorklibraries.org) or at the front desk. This year's theme is A Universe of Stories!

### Reading Garden

Construction has started on our new Jordan Richardson Memorial Reading Garden. The Garden will be located in front of the library building and will include a water feature, seating areas, a statue and areas for children and adult planned programs. Please bear with us during construction and any temporary inconveniences it may cause.

If you would like to make a financial donation, you can go online to help defray costs. Donations are gratefully accepted at [donate.yorklibraries.org](http://donate.yorklibraries.org). Select Dillsburg Area Public Library and Reading Garden Project. We appreciate any and all support!

### Summer Read Book Discussion

Join Library Director Keith Greenawalt for a Summer Read book discussion on Wednesday, July 17 at 6:30pm. We will be discussing *A Mother's Reckoning: Living in the Aftermath of Tragedy* by Sue Klebold. Klebold, the mother of one of the two shooters, details her coming to terms with the Columbine tragedy. A Summer Read is sponsored by WITF, Wellspan, and Capital Blue Cross.

### Volunteers Needed

The Library is always looking for a few good volunteers! Volunteers are needed to staff the circulation desk. Training provided. Call the Library for more information (717-432-5613).

### Tech Time

Meet YCL's new tech specialist, Anisha, as she resumes our monthly program that provides answers to your tech questions. In addition to helping you with your devices, each month Anisha will highlight some of the system's digital databases and resources. This month, she'll talk about Learning Express Library.

### Meeting Room Renamed

The Library Board has voted to rename the library meeting room in honor of Doug Boelhouwer. Doug, who passed away earlier this year, was instrumental in the library's move to Mumper Lane. Signage denoting the new name will be installed shortly.

### Artist Gallery

For the months of July and August our gallery walls feature works by senior artists from Bethany Village, Mechanicsburg. Their art includes digital and conventional work. Stop by during regular library hours to view the creative art on display.
