**Happy Holidays!** Our holiday season hours this year are as follows. We are closed on December 24 and 25, but we reopen Monday morning, the 28th, at 11:00 AM. We are also closed New Years Day, Friday the first of January. Have a happy and safe holiday!

**Mitten Tree Project.** Again this year we are collecting scarfs, hats, mittens, and gloves to decorate our lobby tree. These items will be donated to New Hope Ministries. New and newly-crafted handmade items are welcome. From November 28 through January 2.

**COVID Update:** With the recent uptick in COVID cases, we have decided to modify our policies for the sake of increased safety. The biggest change is a slight reduction in hours. The library now closes at 3:00 Pm on Thursday and is closed on Saturday. All other hours remain the same. We have not cut back on currently available services, but future changes may be needed. Please monitor our social media or give us a call for possible developments. Stay safe, everyone!

**Giant Gift Cards.** Giant gift cards are once again for sale at the circulation desk. This program is an easy way for you to help the library. Giant donates 5% of the card's face value, and all you need to do is shop for groceries! Great for holiday cooking needs or as gifts!

**Wireless Hotspots.** The hotspots are here! We have two wireless hotspots available to rent on a first-come-first-served basis. There is a \$20 fee for 4 weeks. Ask at the circulation desk for details.

**In the Know.** Did you know that the library has a blog? Catch up on the latest news from Dillsburg and all of YCL. You can find book suggestions of all kinds. Sometimes, you'll catch a bit of local history. And once per month, there is always a fresh copy of this newsletter. Check it out and browse all the posts from the beginning to the latest. Visit <https://www.yorklibraries.org/dillsburg/in-the-know/> for more!

## Programs for Adults

**Coming Soon! The Winter Reading Challenge.** For details, watch for the next issue of happenings and monitor our social media.

**Congratulations** to the winners of the Fall Reading Challenge: Sarah Trimmer and Angela Thompson. Sarah chose a \$25 gift card from Hobby Lobby and Angie received a \$25 card from Giant.

## Programs for Kids

**Online Story Time — Tuesdays, 1:00 PM-2:00 PM.** (No Online Story Time on Dec.29.) Now that the weather is changing, Outdoor Story time is on a seasonal pause. Instead, you can enjoy a video story time, and pick up a craft kit at the library while supplies last. Story time videos are available in our private Facebook Story Time group. Not a member? Make a request to join our group and enter your library card number.

**Take Home Projects for Kids — Wednesdays, 1:00 PM-2:00 PM.** (No Take Home Project for Kids on Dec 30.) Get creative with a different art or science project every week through the end of the year. (This month, Nov 25 is cancelled for the holiday) This program is geared towards children ages 6 to 10, but all are welcome. Always ready by Wednesday afternoon, we'll put together a new project kit for kids aged 6 to 10. Take the kit home with you to assemble. Please RSVP via York Libraries events calendar ([www.yorklibraries.org/events](http://www.yorklibraries.org/events)) and check our Facebook page for the latest.

**Mystery Bin LEGO Club — Dec 2, 6:00 PM-7:00 PM.** Take a chance on your very own bin of mystery LEGOS and build a masterpiece. Ages 6 and up. Each month, we will sanitize our LEGOS and fill twelve shoe box sized bins with a mystery assortment of blocks. The first twelve kids to sign up will receive a bin and use their blocks to build a masterpiece for our LEGO shelf. Please sign up to guarantee your spot. We will reserve a bin for you until 6:15pm. Walk-ins are welcome until the bins are gone.

**Online Coding Club — Dec 9, 6:00 PM-7:00 PM.** Beginners and experts code for fun using Scratch. Solve our challenge or code your own project. Ages 8 and up. In our online version of Coding Club we will post a video challenge on our Facebook page. Participants will be invited to code at home and share their projects in our classroom studio.
