We at the Dillsburg Area Library hope 2021 has started well for you. Happy Groundhog and Happy Valentine's Days .

Open for Presidents Day! President's Day is Monday, February 15th. While this is a Federal Holiday, Dillsburg Area Public Library will be open for business during our regular Monday hours.

COVID Update. The Library will return to browsing on Monday, January 25. Public computer access will also be available after that date. Masks (over age 2) and social distancing are required for all patrons entering the library building.

This is, of course, subject to change as conditions with COVID evolve.

Tax Forms. The Library will again be receiving IRS 1040 tax forms and instructions. We expect them to arrive sometime in early February at the earliest. It is best to call to check on their status. We will not be receiving state or local forms this year.

Adult Programs! We have two adult programs in February: a mid-winter reading challenge that starts on the February 1 and a Zoom discussion on February 23. See the reverse side for more information.

Mitten Tree Update. This year, our mitten tree received over 150 items. Thanks to the generosity of our library patrons, some warm weather gear has found its way to those in need. All items have been distributed to New Hope for distribution.

In the Know. Did you know that the library has a blog? Catch up on the latest news from Dillsburg and all of YCL.

Visit www.yorklibraries.org/dillsburg/in-the-know/ for more!

YCL Online Programs. York County Libraries will be offering a range of children's and adult program this month. They can be found on their Facebook page ([facebook.com/YorkCountyLibraries](https://www.facebook.com/YorkCountyLibraries)).

Programs for Adults

Mid-Winter Reading Challenge — Starting Feb 1. Our Mid-Winter Challenge is a literary scavenger hunt. Available through our social media or through hard copies available at the circulation desk, you get a list of questions as well some suggested reading. Answer the questions and read the books to be entered for a prize drawing. Entries are due at the Library by March 15. Check our Facebook page on the first or stop by the desk to get your copy.

Online One Book, One Community Book Discussion — Feb 23, 7:00 PM-8:00 PM. Please join us (via ZOOM) for a discussion about this year's ONE BOOK ONE COMMUNITY selection *The Curious Charms of Arthur Pepper* by Phaedra Patrick. You can reserve a copy of the book online at yorklibraries.org or call the library at (717)432-5613. This year's OBOC regional campaign represents collaboration between 40 libraries in four counties: Cumberland, Dauphin, Perry and York and their community partners. Please rsvp via the York Libraries events calendar (www.yorklibraries.org/events).

Programs for Kids

Online Story Time — Tuesdays, 1:00 PM-2:00 PM. Now that the weather is changing, Outdoor Story time is on a seasonal pause. Instead, you can enjoy a video story time, and pick up a craft kit at the library while supplies last. Story time videos are available in our private Facebook Story Time group. Not a member? Make a request to join our group and enter your library card number.

Take Home Projects for Kids — Wednesdays, 1:00 PM-2:00 PM. Get creative with a different art or science project every week through the end of the year. This program is geared towards children ages 6 to 10, but all are welcome. Always ready by Wednesday afternoon, we'll put together a new project kit for kids aged 6 to 10. Take the kit home with you to assemble. Please rsvp via the York Libraries events calendar (www.yorklibraries.org/events) and check our Facebook page for the latest.

Mystery Bin LEGO Club — Feb 3, 6:00 PM-7:00 PM. Take a chance on your very own bin of mystery LEGOS and build a masterpiece. Ages 6 and up. Each month, we will sanitize our LEGOS and fill twelve shoe box sized bins with a mystery assortment of blocks. The first twelve kids to sign up will receive a bin and use their blocks to build a masterpiece for our LEGO shelf. Please sign up to guarantee your spot. We will reserve a bin for you until 6:15pm. Walk-ins are welcome until the bins are gone.

Online Coding Club — Feb 10, 6:00 PM-7:00 PM. Beginners and experts code for fun using Scratch. Solve our challenge or code your own project. Ages 8 and up. In our online version of Coding Club we will post a video challenge on our Facebook page. Participants will be invited to code at home and share their projects in our classroom studio.
