**World Collage Day.** Join us on May 13 from 2-4pm as we commemorate World Collage Day and create a postcard size work of art in the Dada style using collage, photomontage and poetry. Dadaists rejected traditional art forms and values. They created works that were often farcical and shocking. Incorporating collage, photomontage, performance art, sculpture and poetry, Dada art was not meant to be beautiful. Registration required. RSVP using YCL online events calendar.

**Artist Spotlight.** Our exhibit for May/June features the Hanover Arts Guild:

Kirby Heltebride is a native of Hanover, PA, and has been an active artist since 1984. He creates acrylic paintings which range in subject matter from traditional landscapes to futuristic fantasy works. He also creates metal sculpture assembled from various found objects. He is a member of the Hanover Area Arts Guild and the Art Association of Harrisburg.

Gail Wine Mancha, of Designs by Wine, is a member of Carroll County Arts Council, Hanover Area Arts Guild, and York Art Association, Gail enjoys the challenge of portraits and figure drawing/painting as well as still life and landscapes in oils and watercolors.
