Seasons Readings!

As this long, strange year comes to a close, we wish to thank our library members for supporting us in our efforts to keep everyone safe while still serving our readers in new, and sometimes better, ways. York County Libraries created a YouTube page where all of our digital story times, DIY craft ideas, and adult programs can be viewed time and again.

With the library open for browsing, there continues to be interest in curbside pick-up so we plan to continue that service. We now offer a special time for seniors and special needs individuals to visit the library on Tuesday and Thursdays from 10am to 11am.

Our hearts are grateful for monetary donations, whether online through our website or during our special campaigns; the annual appeal sent in February, Give Local York in May, or the recent Day of Giving in December, and the many days in between. We appreciate your ongoing support.

We wish you a safe and joyful holiday season filled with family and friends, even if they are on a screen. May we all enjoy a healthy New Year!
