If it's February, it's ChocolateFest!

February traditionally means that our library is filled with the sights and smells of all things chocolate. While we invite our library members and visitors in for browsing the collection, we cannot have inlibrary programs yet. All the precautions for the Covid-19 virus are still in place; staff and visitors must wear masks, social distance, and sanitize hands when entering the library.

We made a ChocolateFest video for you to enjoy. Miss Nancy, Kari, Yai, and myself invite you into our homes as we make a chocolate treat with the recipe for you to enjoy. Look for it on Facebook or our YCL YouTube page.

Now we challenge you to do the same. Please post a photo or video of your ChocolateFest entry on our library Facebook page. Entrants may choose to bring the photo and recipe into the library if you do not wish to post online. All entries must be posted/delivered during the month of February.

Three entries will be drawn at random for a \$25 gift card to Karns. Special thanks to Karns for their continued support of our library. Remember to take your own reuseable bag(s) when shopping there.

Friends Launch Appeal

Many of you may recognize the pink envelopes that go out with the Friends appeal letter each February. We love having those pink envelopes returned throughout the year. Our Friends are very grateful for the longstanding support that we receive. In addition, the Friends created a bookmark that will be available with each checkout. The Friends need to raise over \$48,000 each year to support library programs and materials. Enjoy the bookmark and then support the Friends when you can.
