Spring into Reading at Red Land Library!

Join our bingo challenge and earn prizes after you fill in the squares. Three different colored sheets represent different groups; blue is ages birth -7, orange is ages 8-12, and yellow is teens and adults.

Reading begins now and ends May 31st as we get ready for SummerQuest to launch in June. There is a hint in the FREE space that lets you know what the theme for SummerQuest 2021 will be.

Summer will be fun but we want to start now so stop by and pick-up your bingo card and start reading.

Resources with York County History Center

Monday, March 22 at 6:30pm

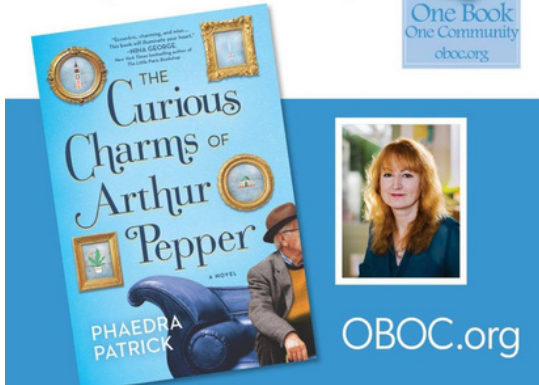

Nicole Smith and Dr. Adam Bentz will present research resources available through the YCHC website, including photographs, databases and new finding aids for History Center archives collections.

Zoom into History is a collaboration of Red Land Community Library, AllVets of York, and Northeastern York County History in Preservation, commonly known as NEYCHIP. While both the library and NEYCHIP organizers plan successful in-person programs, at present we work together to present quality virtual programs.

This virtual program is free. Registration is required at York Libraries events page.

Are you **READING**
this year's **BOOK?**

Join us for a virtual discussion of the 2021 One Book One Community's selection, "The Curious Charms of Arthur Pepper" by Phaedra Patrick on **Mon. March 8, 2021 at 6:30 pm.**

RSVP on our event page <https://bit.ly/3sFYmWV>. Moderated by Karen Hostetter, Red Land Community Library, & Susan Nienstiel, Kreutz Creek Library, this Zoom event will open up a conversation about this heartwarming book.

Be sure to read the book. Check out the title from our YCL catalog; download eBooks and eAudios from Axis 360; or download an eAudio from Hoopla. Then take part in the conversation.

On April 7, join libraries across the region for a very special Zoom program with author Phaedra Patrick from her home in England. Send an email with your name and the name of the event you want to attend to ra-edmakerspace@pa.gov information.

Teens, register for YES on the York Libraries events page.

Designs will be evaluated and the winning design will be displayed on billboards around York County!

Teens - check this out!

YES 2020 author, Justina Ireland, returns to delve deeper into the themes of social justice in her book, *Dread Nation*.

Teens in grades 9-12 are invited to participate in the workshop, discuss the book, and create a call to action for their community related to the themes of the book.

This year, teens will work together to design a billboard with their shared message.
