A Summer Read - The Rabbit Effect

York County Libraries will participate for the 10th year in 'A Summer Read', a reading initiative for adults during the Summer months (July 5 -September 30) sponsored by WellSpan Health and WITF Transforming Health Series.

"The Rabbit Effect: Live Longer, Happier, and Healthier With the Groundbreaking Science of Kindness" by Dr. Kelli Harding has been chosen as the 2022 Summer Read. Harding is an expert in human health and wellbeing and professor of psychiatry at Columbia University. Discover an eye-opening and provocative new way to look at our health based on the latest groundbreaking discoveries in the science of compassion, kindness, and human connection.

Summer Read: Beyond the Pages with Dr. Kelli Harding will be scheduled in October 2022. Event is free, but tickets are needed. While here, the author will be on Radio Smart Talk on WITF 89.5 and WITF -TV.

2022 Summer Bingo held July - September 30

Pick up a Bingo sheet at the library and read some of the categories that are in the squares. Each completed row will give the adult or teen participant a chance at the prize basket. Completed cards must be turned in at the library by September 30. (A full card will equal 12 chances).

Have fun reading new and interesting genres.

Oceans of Possibilities June 1 - August 21

Reading, Parks, Programs, and Prizes!

Still not too late to register at Beanstack - <https://www.yorklibraries.org/digital-library/beanstack/> for a summer of fun activities with York County Libraries. Check out SummerQuest activities for Red Land Library here:

Want to help your library? We could use a few good volunteers.

Red Land Community Library is looking for a few good volunteers to join our hard-working group. With a small staff of four, we depend on the generosity of our volunteers to help us serve our readers well. There are several opportunities to apply for if interested.

1. We need more help with the ever-popular **IdentoGO** service. This service is a long-time commitment as it involves a once weekly shift after training. If you enjoy meeting new and interesting people, you will love helping with this volunteer position.
2. We have openings for volunteers to work in the library with shelving, tasks at the circulation desk, and helping our library visitors find items they need.

Applications are available at the library or online at yorklibraries.org.

We are excited to begin a wonderful new program for children ages 12 months to 36 months. **Family Place** will launch at the end of July and run through the month of August 2022.

Miss Nancy showed Wilber, an albino ferret, to library staff and Bear during Meet the Pets with 4H, a SummerQuest program held recently at Red Land Library.

Silly Joe is coming to Red Land Library!

Join us on Tuesday, August 9 at 2 pm.

After a Summer full of fun, we will celebrate our final program with Silly Joe.

Red Land Friends seeks help with events

The Red Land Friends group is looking for volunteers to help with special events:

National Night Out will be held on Tuesday, Aug. 2 and we will be set up at two locations, both in Newberry Township and Fairview Township. It's a family affair! Volunteer Carol Hugar, with her granddaughter, and daughter-in-law, work the Red Land Library booth at BAPS Speedway during a previous National Night Out in Newberry Township.

A new special event, **Red Land Honors**, will be held in November. This is a perfect opportunity if you only have time to work on one project. It will consist of a monthly meeting from July through November. Please call the library at 717-938-5599 if interested.

Quarterly Book Sale September 10-17

Save the date for the next Quarterly Book Sale to be held September 10-17 during regular library hours.

In addition, we will have a new and gently-used clothing and shoe drive for Community Aid during the sale.

Help Doug to fill the van on September 17.
