Want to help your library?

We could use a few good volunteers.

Red Land Community Library is looking for a few good volunteers to join our hard-working group. With a small staff of four, we depend on the generosity of our volunteers to help us serve our readers well. There are several opportunities to apply for if interested.

1. We need more help with the ever-popular **IdentoGO** service. This service is a long-time commitment as it involves a once weekly shift after training. If you enjoy meeting new and interesting people, you will love helping with this volunteer position.
2. We have openings for volunteers to work in the library with shelving, tasks at the circulation desk, and helping our library visitors find items they need.

Applications are available at the library or online at yorklibraries.org.

We are excited to begin a wonderful new program for children ages 12 months to 36 months. **Family Place** launched in August with 13 Babies and Toddlers and will run through the end of the month.

There was a great turnout for National Night Out in both Newberry Township and Fairview Township. Kids made a colorful bookmark and then chose a free book to go with it. Thank you to the Friends and volunteers who staffed this fun, annual event.
