New Arrival *Amber L. Locke* *Library Manager*

I am so grateful that my travels have landed me at the bookshelves of the Arthur Hufnagel Public Library of Glen Rock. Originally from Pittsburgh, I am fond of steep hills, rocky terrain, windy roads, hardworking people, and snowy winters. Therefore, my start at Hufnagel has been a pleasant one!

Most recently, I served the Baltimore County Public Library system as a librarian in the Essex and Towson areas. Additionally, I have been homeschooling our two sons since 2015. Previously, I was a ballet instructor and choreographer throughout Maryland and Pennsylvania following a career as a ballet and modern dancer. Furthermore, I have a Master of Teaching degree focusing on elementary and special education, so children's literacy is of foremost importance to me and I am happy to help any parent or guardian guide a child onto the pages of a book.

To quote a favorite hero of mine, Dr. Ben Carson, "The doors of the world are opened to people who can read." The staff and I are here at the Arthur Hufnagel Public Library to help you push open those doors. Please come in! I'd be happy to meet you!
