## Guthrie Is Reopening!

### Curbside Pickup of Library Materials Begins Monday, June 15

Guthrie Memorial Library is opening for **curbside pickup only** of library materials starting Monday, June 15. We will not be offering any in-library services at this time. Our library hours for curbside pickup are as follows: Mondays & Wednesdays 10-2 & 4-7, Tuesdays & Thursdays 10-1 & 3-6, Fridays 10-1 & 3-5, and Saturdays 10-2. Here is how the service will work:

1. Go to [yorklibraries.org](http://yorklibraries.org) to reserve the books you want.
2. We will notify you when your items are bagged and ready for pickup.
3. When you arrive at the library, you will park and pick up your items in the lobby. If there is a line please follow the social distancing marks on the sidewalk. Only **one member or family** will be allowed inside at a time.
4. **Face masks must be worn** when using our curbside pickup service. Our staff will be wearing them for your safety as well. To accommodate this new process, we have extended the loan period from 3 to **4 weeks**.

### Returning Library Materials

Starting Monday, June 15 all returning materials must be returned in the **outside library book drops**. For health and safety reasons, our staff will not be able to take the books directly from you. After the books are returned, they will be quarantined for 72 hours before our staff check them into the system. So, they will remain on your account a little longer than usual. We will adjust for your original return date. For materials checked out prior to our closure in mid-March, we have extended the due date until July 1 to allow extra time for return. Late fees have not been assessed during this time period.

### Providing a Safe and Healthy Library

Our decision to offer curbside service is in alignment with guidance and directives of the Office of Commonwealth Libraries, Governor Tom Wolf, Pennsylvania's Department of Health and the CDC. Our staff is receiving training on recommended cleaning and disinfection procedures and will follow safe-handling and quarantine protocols for returned library materials. Staff will wear masks and other personal protective equipment for personal and public safety. We are working hard to provide a safe and healthy library environment for you and our staff.

We are excited to be taking this first step in reopening our library and will be adding services gradually as directives allow. We will do our best to keep you informed. You can also go to [open.yorklibraries.org](http://open.yorklibraries.org) to find the latest updates in services and hours for Guthrie Memorial Library. We look forward to seeing you soon!

Fun-In-It Storytelling Presents the story of

# THE Magic Fish

STREAMING LIVE

Friday, June 12 • 10:15-11 a.m.

**A lucky fisherman finds a magic fish that can grant wishes, but how many times can his wife tell him to go back and ask for more?**

Beth Rebert of Fun-In-It Storytelling uses props, costumes and character voices to tell the classic tale of "The Magic Fish" by Freya Littledale. This folktale of greed and its consequences, teaches the importance of appreciating what we already have.

**RSVP for the event** at our events calendar [yorklibraries.org/hanover-guthrie](https://www.yorklibraries.org/hanover-guthrie). We'll email you the Zoom information the day before the event.
