Guthrie Is Now Open for Expanded Browsing!

Starting Monday, August 31st, Guthrie Memorial Library will offer expanded in-library services. Customers will be able to browse children, teen, and adult library collections, use the copier, make in-library payments, and rent DVDs.

Your library experience will be different than it was before the pandemic. We are following the guidelines of the Office of Commonwealth Libraries, the Governor, the PA Health Department, and the CDC to provide a safe and healthy library environment for members and staff. This requires numerous steps allowing time and space to practice proper cleaning and social distancing protocols for safety.

- **Masks are required to be worn inside the library.**
- **Occupancy limits will be in effect.**
- **Hand sanitizer will be available and encouraged for member use.**

Come visit us and refresh your reading supply. Browse the collections, discover some new reads and check out some titles to enjoy at home. Rather than our traditional "sit and read" library setting, it will be a renewed "**browse and go**" experience. This is all part of our current reopening phase and the extra measures we're taking to provide you with a safe and healthy library environment.

Limited computer usage will begin on Tuesday, September 8. There will be a limited number of computers available in each department. Customers will need to make a reservation, either in person or by phone. Reservations will be on the hour with a time limit, limit of 2 reservations per day in adult, and 1 per day in teen and children's. Masks must be worn while using a computer. Each computer used will be cleaned between each use.

**Newspapers, magazines, board books, toys, stem kits, meeting room rentals, study rooms, PA Room, in-library programs/events and seating areas are still not available at this time.*

Online Book Club:

Murder At the Library!

Tues., Sept. 29 &

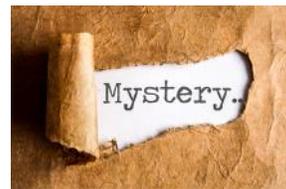

Wed., Sept. 30 • 7 pm

SEPT. BOOK: *Bluff*

by Jane Stanton Hitchcock

Before you wonder "Who done it?", Murder At the Library is the name of a new virtual book club beginning Tues., Sept. 29 at 7 pm. Angela Orwig will lead the book discussion. The following evening, Wed., Sept. 30, attendees will visit with the author. Both countywide Zoom programs will be open to all readers.

Bluff by Jane Stanton Hitchcock, this month's choice, is stacked like a deck of cards. Really, the author has dealt us a full house of twists and turns as we meet the characters and try to find some empathy in all the drama of the murder and murderer. Download the eBook at Axis 360 or check out a copy available at Martin Library. Read the book, join us for the discussion and hear the author. I bet she has a great poker face!

Book Recommendations

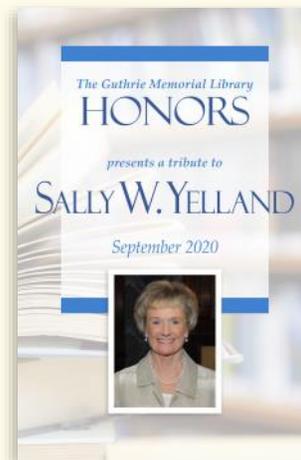

from Our Mystery Book Club!

SEPT. BOOK: *No Exit* by Taylor Adams

is about a college student stranded for the night by a blizzard at a rest stop with four strangers. While walking around the parking lot she finds a

little girl locked inside one of the cars. There is no cell phone service, no telephones, no way out, and the student has no idea which stranger is the kidnapper. This book is full of twists and turns and is very gripping and suspenseful. Highly recommend! — Gail C.

SEVENTH ANNUAL Guthrie Memorial Library Honors Presents a Tribute to Sally W. Yelland September 2020

The Guthrie Memorial Honors recognizes those in our community whose commitment and advocacy to our library helps ensure its future success.

Contributions to the Sally W. Yelland Honors Event are used to purchase new books for the Guthrie Memorial Library collection. Selected books are plated in the Honoree's name.

To make a contribution please visit yorklibraries.org

Thank you for your thoughtful support!

Thank You to Our 2020 Summer Solstice Sponsors

On June 19, 2020 Guthrie Memorial Library was to celebrate its 9th Summer Solstice Celebration on our rooftop terrace overlooking Hanover. The Summer Solstice is one of our biggest fundraising events of the year. However, due to COVID-19, we had to cancel it until next year.

Earlier this Spring we had started asking for sponsorships and donations in preparation for our celebration. We would like to take this opportunity to thank our 2020 Summer Solstice Sponsors and Donors for their generous contributions and ongoing support. Even now, when our services have moved mostly online, we would not be able to continue providing our free resources and programs without you.

Give Your Child a Smart Start! 1000 Books Before Kindergarten

is simple: read 1000 books with your newborn, infant, toddler, or preschooler before they begin kindergarten and they'll benefit for years to come! You are your child's first teacher and your home is

where your child begins to learn. By reading aloud with young children, you give your child a smart start. **1000 Books** makes it fun to build a daily habit of reading. For more information on this great program visit www.yorklibraries.org.

GOAL — Grade One at the Library

Help your first-grade student shoot for the GOAL of a lifelong love of reading and learning! First grade is a time for children to learn to read. With our GOAL initiative, we introduce your child to the abundance of books, programs, and computer

resources available through a library membership. With this campaign, all first grade children in York County schools receive an informational packet and application form to apply for a new membership and library card at their local libraries. Home-schooling? Then come to the library so we can give your first grader their library card. Children who already have library cards may also take part in the GOAL program. For more information visit www.yorklibraries.org.
