Things You Should Know!

York County has reached the CDC (Centers for Disease Control) classification level for "High Risk" community transmission. Given the new variants and upward trend of positive COVID-19 cases, many businesses, municipal institutions, and non-profit organizations are taking steps to aid mitigation efforts against the spread of COVID. We will continue to abide by the following mitigation efforts:

- Masks wearing and physical distancing is **recommended** for the public.
- Masks are required for library staff/volunteers in public areas.
- Indoor programming will be offered, but masking and physical distancing is **required by both staff and the public**.
- Outdoor and virtual programming will continue to be offered.

We appreciate your patience and patronage!

Thank you!

A heartfelt thank you to everyone in the Hanover community for giving me such a warm welcome over the last few weeks. I've been able to meet with some of our fabulous nonprofit and civic organizations in Hanover, including the Rotary, Kiwanis, Borough Council, Main Street Hanover, Chamber of Commerce, Diversity Alliance, and more. I'm looking forward to continuing to see new faces and make new connections in the coming weeks and months, and I'm very excited to see how the Guthrie Memorial Library can partner with our neighbors in the community to ensure public access to information for many generations to come.

An additional thanks to everyone who bought tickets in September for our Library Lottery fundraiser! We have prizes to give away every single day in the month of October, and the prizes were all generously donated by organizations and individuals here in Hanover. It's truly remarkable to see the community come together to support public services like the library.

How else to support the library:

Did you miss your chance to purchase a Library Lottery ticket? We have lots of other ways you can support the library! Every month, the Friends of the Library have a number of great items available for you to bid on in our silent auction – you can see the items and place your bids at the main desk. There's also the ongoing book sale on the Adult floor of the library, and you can also choose the Hanover Public Library Association Inc. as your charity of choice on Amazon Smile. These are just some of my favorites, but there are other ways to give, too – don't hesitate to get in touch with any questions or ideas you might have.

Upcoming events:

I'm delighted that we've been able to start bringing back some of our usual programming, and I'm grateful to our wonderful Guthrie staff for being thoughtful about how we can do so safely. We can't know what curveballs the future may send our way, but read through this newsletter carefully for all the amazing events we have planned in October, including: Tales for Tails, Thrilling Thursdays for Teens, story times at Lake Marburg and Wirt Park, Pokémon Club, our monthly Trivia Night and TechTime programs, and Saturday afternoon tabletop gaming sessions.

Stuck in a reading slump? **Hispanic Heritage Month** is September 15 through October 15, and after that comes our annual **Hallowread** celebration. Register your library card on Beanstack to access reading challenges for these and other themes throughout the year. And remember – you can always ask any of our staff members for book recommendations or readalike suggestions.

Until next time...

Those are just some of the highlights about what we have to offer this month. Visit us in person or online to see the full array of what we've been working on. And as always, contact me with any questions, concerns, or good ideas. See you next month!
