## GOAL: Grade One at the Library

Help your first-grade student shoot for the **GOAL** of a lifelong love of reading and learning! First grade is a time for children to learn to read. With our GOAL initiative, we introduce your child to the abundance of books, programs, and computer resources available through a library membership. With this campaign, all first grade children in York County schools receive an informational packet and application form to apply for a new membership and library card at their local libraries. Homeschooling? Then come to the library so we can give your first grader their library card. Children who already have library cards may also take part in the GOAL program. For more information visit [yorklibraries.org](http://yorklibraries.org).
