GOAL: Grade One at the Library

Because a library card is the most important school supply of all...Reach your GOALS with GOAL!

Help your first-grade student shoot for the **GOAL** of a lifelong love of reading and learning! First grade is a time for children to learn to read. With our GOAL initiative, we introduce your child to the abundance of books, programs, and computer resources available through a library membership. With this campaign, all first grade children in York County schools receive an informational packet and application form to apply for a new membership and library card at their local libraries. The GOAL program also includes fun prizes, a featured author, and a Campaign Celebration.

Homeschooling? Then come to the library so we can give your first grader their library card.

Already have a card? Children who already have library cards may also take part in the GOAL program.

Visit any York County library now through December 2023 to pick up your GOAL prizes!

With your first three visits to the library, you will receive a new prize to take home with you!

- **Visit 1:** GOAL pencil or gel bracelet
- **Visit 2:** GOAL sports/book bag
- **Visit 3:** FREE book and a PeoplesBank® flying disc

For more information about the **GOAL** program please visit yorklibraries.org.
