Introducing Guthrie Memorial Library's New Director: Lizzy Baldwin

Hello, everyone! My name is Lizzy Baldwin, and I am the new Director of the Guthrie Memorial Library. Originally from New Oxford, I am so excited to be back where I grew up and to be working for such a pillar of the community. Most recently, I was the Manager of two branches of the Dauphin County Library System, and while I loved serving my communities there, I couldn't pass up the opportunity to serve my hometown library that I love so much.

I'm sure you know that the library is where you go to check out books, but did you know that we also have blood pressure screening kits that are available to check out? Or that we hold weekly Senior Health and Wellness Workshops? Or that we host a Youth Pokémon Club (and that we have three PokéStops)? Your support of this library is what makes us able to provide such a wide array of services and materials.

I invite you to stop in and say hi and let me show you your support in action. Maybe you'll even catch a Charizard along the way.

With gratitude,

Lizzy

Coats of Friendship Making the world a little warmer one coat at a time!

Coats of Friendship, a local nonprofit organization founded by York County school students, hand-delivers coats, hats, gloves and scarves to folks who need them. During the 2022-2023 fall and winter, they distributed 7,200 coats in York County and Gettysburg. This year, their goal is to collect 8,000 coats.

Guthrie Memorial Library is now collecting coats, hats, gloves, and scarves to support this cause. Please bring your gently used or new items in all sizes for men, women and children to the donation bin in our main lobby.

Coats of Friendship's mission is to keep all people of York County warm this upcoming winter.
