Honoring

Dr. Timothy Mitzel

Dr. Timothy Mitzel grew up in eastern York County, attending Eastern York School District from kindergarten through commencement. While attending Eastern York he participated in Athletics, Student Government, and Fine Arts Programs as well as serving as a class officer his senior year.

Dr. Mitzel attended Lebanon Valley College, where he was a member of the Football and Wrestling teams. After receiving his B.S. in Elementary Education, Tim came back to his roots to teach second grade at Canadochly Elementary School. Tim and his wife, Jill, were married in 1993 and blessed with two sons. He earned his Master's of Education Degree from Pennsylvania State University. He went on to earn his Doctorate in Educational Administration from Immaculata University while continuing to lead schools in the Littlestown School District as both Assistant Principal and Principal. In 2010, Tim rejoined Eastern York School District as the Principal of Kreutz Creek Elementary School. Two years later, he was named the Principal at Eastern York High School where he has been serving the York Community ever since.

Dr. Mitzel resides in West York with his wife, Jill. His son, Cale is enrolled at Millersville University and son Peyton attends Temple University. Dr. Mitzel enjoys spending time with his wife and sons, watching his beloved Philadelphia Eagles, golfing, and reading.

Dr. Mitzel has been a dedicated leader in education and it is our privilege to recognize him for his devotion to the community in which we live, work, and play.

WELCOME
