LIBRARY UPDATES

Effective January 6th

Masks are required for patrons while in
all parts of the library.

We are resuming Limited Browsing.
We have suspended computer use.
No seating will be available.

In House programming will also be
suspended.

We hope that these actions will be
temporary and that we will increase
our hours in the near future.

DEMENTIA SUPPORT GROUP

A support group for caregivers of people
with dementia related illness was started
in October 2021 which would meet
on the first Monday of each month from
11 AM until 1 PM.

We are unable to have programming
within the library at this time.

Interested parties should contact the
library for more information.

ANNUAL APPEAL

Meeting our community's needs is our
focus. While books remain a vital part of
our library, your donation directly
supports programming, free WiFi,
computers, staffing, safe spaces,
increased hours and more.

With a gift to the library our community
is strengthened. So please think of us
when you receive our letter because your
gift changes lives!

2022 ONE BOOK, ONE COMMUNITY

The 2022 O.B.O.C. selection is
"The Life We Bury" by Allen Eskens.
"The Life We Bury" tells the story of Joe
Talbert who had avoided doing his
college English class assignment until it
was almost too late. Interviewing an old
person about his life didn't sound all that
interesting. Who cared? He had enough
trouble dealing with his own life and
family issues. Like his alcoholic, bi-polar
mother and his autistic brother Jeremy.
But when Joe decides to interview a
Vietnam vet convicted of a murder 30
years ago who was living in a nearby
nursing home, he thinks maybe it won't
be so boring after all.

Join 40 libraries in four counties:
Cumberland, Dauphin, Perry and York
and their community partners in reading
this book in January. Program schedules
for discussion groups, an author talk and
other activities will be available online at:
