EITC (Educational Tax Improvement Credits)

Eligible businesses may receive tax credits for their gifts to York County Libraries through the Educational Improvement Tax Credit Program (EITC). Our Summer Reading Program and Author Visits enhance the academic curriculum of our county school districts. Summer Reading Program prepares students for the start of the school year through incentive-based reading and Author Visits bring renowned children's authors into classrooms throughout York County.

Corporate tax credits equal 75% of your contribution in the first year and 90% in the second year. To learn more about how your business may qualify for the EITC program or to renew your EITC application, visit
