

# Introducing Beanstack:

For York County Libraries  
1000 Books Before Kindergarten

## What is 'Beanstack'?

Beanstack is our web-based Program management software. It allows you to track your books, view upcoming events, and receive weekly, personalized book and event recommendations!

## How do I sign up?

1. Go to [yorklibraries.beanstack.org](http://yorklibraries.beanstack.org)
2. **If you have not participated in our summer program:**  
Click the purple "Register" button
3. Fill in the information! If you are a parent registering a child, be sure to enter your information under "Adult Information." Beanstack allows families to be linked together, so that all family members can be accessed with one login
4. When asked what programs you would like to register for, select the box next to "1000 Books Before Kindergarten"

**\*Please note: Every child registering for 1000 Books Before Kindergarten MUST have their own YCL library card\***

5. **If you did participate in our summer program:**  
Simply click the purple "Sign In" button and sign in using the username and login from last year. Then click the "Register" button under the program!

# Logging Books

1. Log into your account

2. Click on "Log Reading and Activities"

Log Reading and Activities
