Since opening its doors in 2017, Salem Square Library has made quite an impact on the community. The library provides adults and children with unique opportunities to learn and grow. The 900 square foot facility features resources for job seekers, free Wi-Fi, public computer access for adults and teens, early childhood and afterschool programs, and a small on-site collection of books. The library also offers members easy access to York County Libraries' collection of over 700,000 items.

This summer's programming will focus on the SummerQuest theme: A Universe of Stories. Our stories and

activities will be out of this world! Young children and their caregivers can learn, sing, play, read, and grow at story times on Tuesday and Thursday mornings. Our elementary age learners can experience fun and educational learning opportunities, including hands-on science and technology programs, every Tuesday, Wednesday, & Thursday from 3:30-6pm. A special SummerQuest program for elementary age children and older will also be held every Friday afternoon from 1-4pm, including lunch at 1:30pm.

Stop by and see what's happening at Salem Square Library!
