# TRIBUTE BOOK PROGRAM

Please submit this form with your contribution

A gift book that is placed in the library is a meaningful way to recognize a special person. A gift in **honor** of a particular individual can acknowledge an important contribution, commemorate a retirement, or celebrate a momentous occasion. A book gifted in **memory** is a thoughtful way to memorialize a relative or friend and ensure their lasting legacy.

I wish to contribute \$\_\_\_\_\_ to place a tribute book in the Martin Library collection.  
(\$35 minimum. Please make checks payable to Martin Library.)
