VACCINE DISTRIBUTION & SAFETY

Vaccinations are phased based on COVID-19 exposure risk and aligned with vaccine supply

Vaccine went through a rigorous process before being authorized as safe and effective for emergency use by the FDA

WellSpan Health endorses the COVID-19 vaccine. Our experts have reviewed the available research data and find the vaccine to be **safe and effective**. We encourage everyone to make an informed decision.

Questions about the vaccine?

For all current information, visit **health.pa.gov** and choose "COVID-19"

YCL strongly recommends you start with your own doctor, insurer, or healthcare provider.

They may be able to assist you in setting appointments for yourselves and your families.

WellSpan

If a current WellSpan patient: contact your WellSpan care provider for an appointment, or log into your MyWellSpan account at <https://www.wellspan.org>.

Non-WellSpan members: schedule through the WellSpan COVID-19 Hotline: (855) 851-3641.

Due to the high demand for the COVID-19 vaccine, hold time for call to the COVID-19 Hotline and primary care provider offices will be longer than usual.

Geisinger Health

Log into your MyGeisingerHealth account to find current appointment times. If none appear, all available appointment times are booked. Check back soon.
