

The Commonwealth of Pennsylvania requires anyone working with or observing children in environments such as public and private schools, IUs, libraries, and vocational-technical schools to provide proof of the following clearances:

- Pennsylvania Child Abuse History Clearance
- Pennsylvania State Police Criminal Record Check
- Fingerprint-based Federal Criminal Record Check (if applying for an unpaid position and the applicant has not been a continuous resident of Pennsylvania for the past 10 years)

Pennsylvania clearances are valid for 5 years, and both “Volunteer” and “Employment” clearance types are acceptable for volunteer positions (**NOTE:** “Volunteer” clearances are not acceptable for employment purposes. If you feel you will need your clearances for a paid position in the future, consider obtaining “Employment” clearances).

## Federal (FBI) Criminal History Record

Fee: \$23.25

Additionally, a fingerprint-based federal criminal history (FBI) submitted through the Pennsylvania State Police or its authorized agent is required if:

- The position the volunteer is applying for is an unpaid position; and
- The volunteer has lived outside the Commonwealth of Pennsylvania in the last 10 years.

Volunteers who are not required to obtain the FBI Clearance because they are applying for an unpaid position and have been a continuous resident of Pennsylvania for the past 10 years must swear or affirm in writing that they are not disqualified from service based upon a conviction of an offense under §6344.

Applicants for this clearance must register online or by phone and then visit a fingerprinting facility.

- To register online, use the following URL: <https://www.identogo.com/locations/pennsylvania>
- Under Enrollment Services, check the Digital Fingerprinting option
- Enter the following service code: **1KG6ZJ** (Pennsylvania DHS Volunteer)
- The applicant then reports to one of the approved fingerprint centers with a state or federal identification card. Payment is made at the time of fingerprinting.
  - If the applicant registers online, they may enter their email address and create a security question to receive electronic results directly. Once their fingerprints have been processed, the applicant will be emailed a link to their results and can use the security question to confirm their identity and open a downloadable version. **No second access to the electronic results is available, so results must be downloaded, saved, and printed at first access.**
  - Results are also mailed to all applicants and may take several weeks to arrive at the home address listed in the application.
