# THE BARBARA A. RUPP HONORS EVENT

Guthrie Memorial Library has had the distinct pleasure of being the recipient of Barbara's strong support for many years. As South Western School District Superintendent, Barbara is a key educator in our community. She has been a constant advocate for libraries in the school district, as well as our own public library which serves adults, teens, and children of the Hanover community.

Born and raised in Hanover and a graduate of Eichelberger Senior High School, Barbara's educational roots are strong. She earned her Bachelor's degree in Education at Millersville State College, Master's degree in Education and Counseling from Shippensburg State College, and her Doctorate in Educational Administration from Temple University.

Barbara has served as a teacher, administrator, and counselor since 1966. She was recognized as Teacher of the Year in 1985 and served as District Representative to the York County Teacher Consortium.

Barbara is a member of the Aristotle Society, the Hanover Chamber of Commerce, Executive Board; President of the Shippensburg University School Study Council; York County Alliance for Learning, Board of Directors; Hanover Rotary Club; Pennsylvania Association for Supervision and Curriculum Development; as well as the National Association for Supervision and Curriculum Development.

Along with her countless accomplishments and career, Barbara makes time for her two children and four grandchildren. She loves gardening, cooking, traveling, and reading.
