LAUGHTER IS THE BEST MEDICINE

As the days get shorter and the Holiday
Season approaches many people decline
into pits of depression. It has been shown
time and again that "Laughter is the Best
Medicine". Mark your calendar for

October 16th
6:30 PM-8:00 PM

Our next Third Wednesday Program will
be with Jill Kaylor from Visiting Angels.
Jill will relate the importance of staying
involved and laughing often.

There is a true story of a grandmother
telling of her delight in having her young
grandson visit because he always had a
joke to tell her, even if it was a corny
Knock, Knock joke. Laughter can have
many physical and emotional benefits
including pain relief, improved mood,
reduced stress, improved cardiovascular
health, and more. Laughter seems simple,
but when depressed it is a difficult
mountain to climb.

CHRISTMAS AT LONGWOOD BUS TRIP

Sometimes it is hard to be a tourist in
your own backyard, but have you ever
visited Longwood Gardens during the
Christmas season? Now is your chance.
The Library is arranging a deluxe coach
trip to Longwood on

Monday, December 9th

The bus will depart from the
Stewartstown Baptist Church at 9:00AM
and return around 5:00PM.

Christmas at Longwood is a very popular
event and we expect reservations to go
quickly. There will be spectacular
Christmas features in the conservatories
which are away from the elements, but to
see the beautiful gardens, guests will
need to dress for the weather. The
renowned Longwood organ will delight
visitors with seasonal music at appointed
times through the day.

Lunch will be on your own in the famous
Longwood Café, or the 1906 Restaurant
offering a full service dining experience,
both on the grounds. The ticket cost of
\$95 per passenger
will include the coach and the Longwood
admission.
