2024 Celebrating 50 Years!

As we reflect on 2024, we look back with gratitude on the incredible progress and accomplishments made by our libraries, staff, and community. Together, we've navigated challenges, embraced opportunities, and continued to fulfill our mission of providing open access to knowledge, resources, and growth for all residents of York County.

This year, we celebrated the 50th Anniversary of York County Libraries with a record 3% increase in attendance at our libraries and a 2.7% growth in total items borrowed. Our libraries continued to expand digital resources and strengthen community partnerships throughout the County, through SummerQuest (9,289 participants), 1000 Books Before Kindergarten, LEAP into Science, and our highly acclaimed Story Time. Our libraries provided innovative educational initiatives and community outreach programs and were vital hubs for connection, learning, and personal growth.

We extend our deepest thanks to our dedicated staff, boards, Friends, volunteers, and community supporters whose commitment to the York County Library's vision has made this all possible. As we enter 2025, we are energized and excited about the next fifty years, with plans to further enhance our services, foster new collaborations, and provide even greater opportunities for lifelong learning.

On behalf of our Board of Directors, thank you for your continued support! We look forward to another year of growth and positive impact in York County.
