T Reduce, Reuse, Recycle Program

"One person's trash is another person's treasure." Use recycled materials to create something practical or an eco-friendly piece of art. With a bit of imagination, items destined for the landfill can get a new life. **What to Bring:** Look around your house and see what can be repurposed. Items can include clean colorful lids, paper, magazines, fabric, "steampunk" gears and gadgets, egg cartons, bubble wrap, packing peanuts, shopping bags, paper towel rolls, and so much more! Your library will have supplies, too.

Tu JULY 22 from 3:00pm to 4:30pm

ST T-Shirt Machine

Draw a design on your shirt with our crayons, then a staff member will use our heat press machine to make it permanent! **What to Bring:** Bring your own white or light-colored shirt. Make sure the t-shirt you bring is 100% cotton. We've also had success with pillowcases and canvas bags.

Th JULY 24 from 11:00am to 4:00pm

E Critter Connections

Snakes, turtles, geckos, tarantulas, and more will be visiting the library for you to hold and learn about.

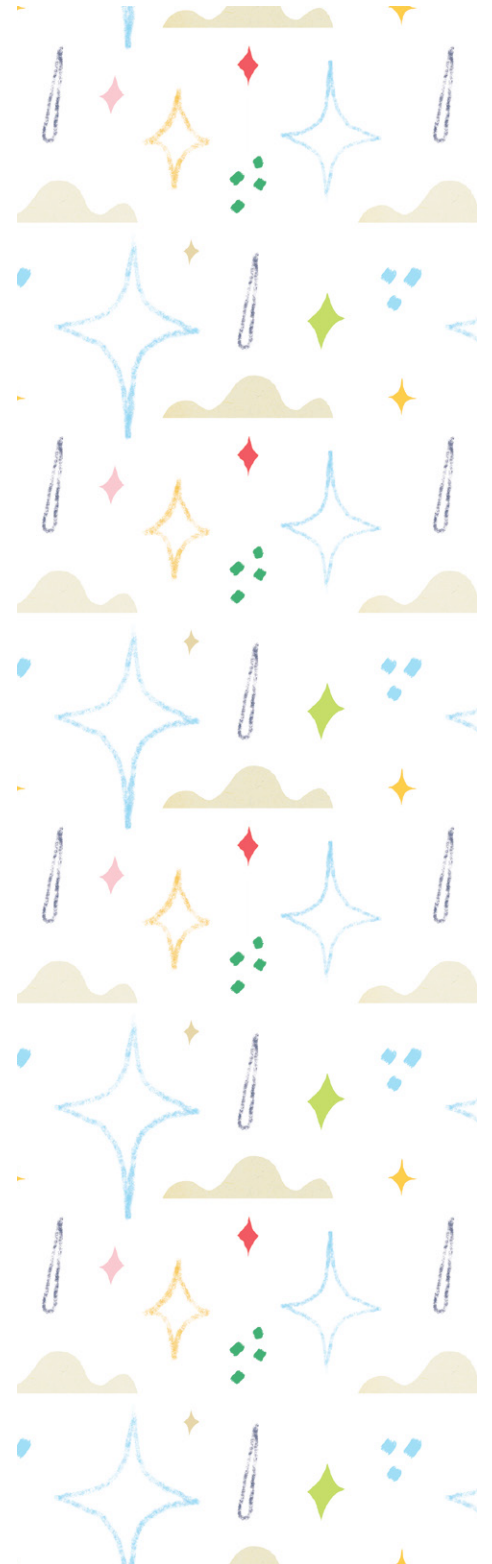

Tu JULY 29 from 2:00pm to 3:00pm

S Leap into Science!

Have you ever wondered how magnets actually work? Magnets have invisible forces that allow objects to pull together (attract) or push apart (repel). This workshop invites children to have fun exploring the magic of magnetic forces!
