Featured Artist: Cynthia Enanoria

The Beyond Books Art Gallery welcomes Cynthia Enanoria's series of whimsical paintings. Charmed by the stories of the Faye Folk while traveling through Ireland Cynthia was inspired to create the light hearted and fun "Little Conversations" series. She imagined the children of the Faye playing and having lively conversations with wildlife. Painting is Cynthia's happy place. Share her love of seeing the images from her imagination come to life on canvas. Her work will be on display during the months of July and August.
