ARE YOU READY FOR A FURRY FRIEND?

If you are the average parent, it is very
likely that you have heard questions like
“When can we get a dog” or “The
neighbor's cat just had kittens, could we
please adopt one?” from one or more of
your children.

Or maybe you realize in retirement that
you have always wanted a pet but didn't
have the opportunity or the time to make
that a reality. Before committing to
welcoming a pet into your home and
family there are a number of things to
consider and this is the topic of our next
Third Wednesday Community Program
Wednesday, July 16th at 6:30PM
Pets become treasured members of your
family and we are delighted that
Alyson Malay of York County SPCA's
Community Outreach will be available to
share both the rewards & responsibilities
of pet ownership. Aspects of caring for a
pet, a review of SPCA's services related to
pet adoption and information about
numerous volunteer opportunities at the
SPCA will be presented. Please plan to
attend this wonderful family-oriented
presentation. Children are welcome.
