PSYCHOLOGY OF LOVE

Come visit us for our first
Third Wednesday Series program of
2026.

Wednesday, February 18th at 6:30PM

Celebrate this season of love by learning
the "why" behind the warm and fuzzies,
and the "how" of promoting healthy
relationships.

Join Casey Barna, MSW, for an
introduction to stress and love hormones,
and practical tips for managing our side
of relationships in a way that promotes
well-being for ourselves and others.
Participants will be invited to share their
experiences, tips, and resources
throughout the session.

Every month we present a topic that we
encourage and hope you will come and
share with us.

In March we will welcome the return of
Master Gardener, John Geoghan who
will present

"Designing with Perennials".

Join us in the library's Community Room
for March's Third Wednesday program.

GET READY TO CELEBRATE WITH PIE

In 2009 the US House of Representatives
declared March 14 as a day to recognize
"pi", a widely known mathematical
constant critical to several basic
calculations in geometry, physics, and
engineering.

Join us at the PiE Day Fundraiser in the
Mason-Dixon Public Library's
Community Room
