Actualización en español!

La "Semana Nacional de las Bibliotecas" es en abril. YCL celebrará el evento hasta abril. El tema es bienvenido a tu biblioteca. YCL está celebrando con el tema los bulliciosos años veintes. Hay un cuestionario interactivo en línea, charlas de autor y una discusión sobre El gran Gatsby. El 17 de abril YCL termina la fiesta con "Bill & The Belles", un concierto de música en línea.

Los programas para niños terminan a mediados de mes. Pero no se preocupe, registrarse en SummerQuest está a la vuelta de la esquina. Los adolescentes todavía se están reuniendo en "Discord". Haga que su hijo visita todas las actividades interesantes en el servidor.

La construcción de la Biblioteca Martin comienza en abril. Tenga paciencia con nosotros mientras los cambios comienzan a desarrollarse. Espere el hermoso espacio nuevo que influirá en nuestra comunidad en el futuro.

A NEW Chapter Begins!

I am excited to share that we have begun renovating Martin Library. This beautiful old building will be transformed, honoring its long history, while creating space that will influence our community far into the future.

We are already packing boxes, moving staff around and relocating our collections. So, as you're coming into the library, to browse our collections and pick up books, you're going to notice a lot of changes. It could get rather noisy at times. We're asking you to be patient with us because Martin Library will be even more beautiful when renovations are finished. I need to get back to the demolition team. There is a lot of work to be done!
