Thursday.....10am to 6pm
Friday.....10am to 1pm
Saturday10am to 1pm
Sunday.....CLOSED

Capital Campaign Project at Martin!

Up, up and away we go placing three tractor trailer loads of construction materials to the roof of Martin Library in downtown York. Completing in early 2022, our building team is leading this phased interior renovation project that also includes new windows, roof and chiller unit.

Live in the sunshine. Swim in the sea.

Drink in the wild air.

— Ralph Waldo Emerson

YCL is adding services!

York County Libraries will expand in-library services and hours at several locations starting Tuesday, June 1. The libraries will be shifting from their current browse and go model to one that can accommodate members who want to stay a little longer. However, Martin Library will not be adding seating and computers at this time due to current renovation and construction projects. For a full list of changes county wide go to

<https://www.yorklibraries.org/reopening/>.

CHILDREN & FAMILY PROGRAMS

TEEN EVENTS

A Message from Miss Trish

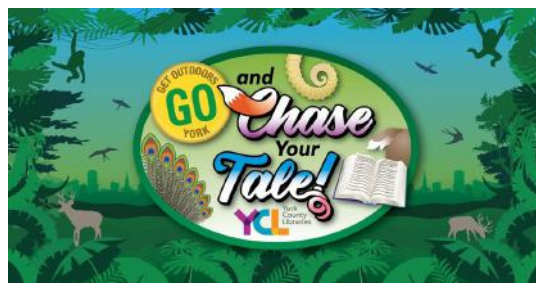

SummerQuest starts June 1st for all ages. Early registration began May 16th, but you can still sign up throughout the summer by visiting yorklibrares.org/summerquest. Each child will need their own library card to sign up.

We have tons of fun, free programs planned for this summer. Our virtual performers in June include Susquehanna Folk Music, The National Aquarium, Zoo America and Leap into Science. Those programs will be held on Zoom, so you must register through our website event calendar to receive the link. Digital story times will be held Live on Zoom on Tuesdays for Babies & Toddlers and recorded on YouTube on Wednesdays for preschoolers. In addition, we will have Grab n' Go Crafts on Mondays (while supplies last) and Tail Waggin' Tuesday Activities you can either download or pick up in the library. This is only a sample of what will be happening. Please check our events calendar or the SummerQuest page on our website for a complete listing.

In addition to several other prizes, we have something new this summer – brag tags! You will receive a special tag and chain for registration. Then, as you reach each of the 200-minute reading milestones, 200/400/600/800, you can choose a new tag for your chain. Get started recording your minutes early so you can collect your favorites! Assorted designs while supplies last.

Teen Hiking Challenges
June 15 & 29; July 13 & 27;
August 10 @ 9AM

We'll post a park and its unusual landmark on each hike date.

Challenge: find the landmark, take a photo of it, and post it to Instagram with the tags #YCLHikingChallenge and #YCLteens. Everyone who hikes all 5 trails will have a chance to win a full set of hiking gear!

Tiny Art for Teens
June 22 @ 2PM

Follow along step-by-step with the instructor to create a seahorse under the sea! Stop by your local library beginning the week of June 1st to pick up your Tiny Art kit. While supplies last!

Please check our events calendar for the full list of teen programs!

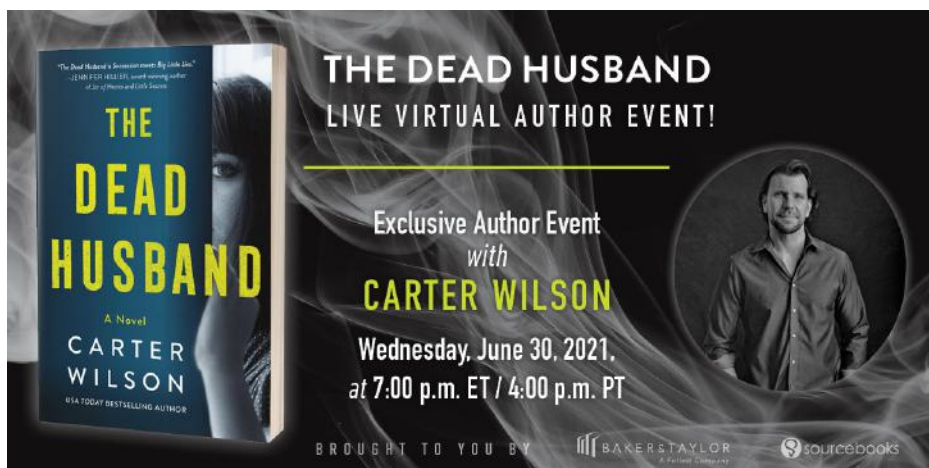

The Teen Forum Discord server is an online platform where teens can connect with each other, participate in YCL programs, and create their own community.

Facebook post

Actualización en español!

Junio es el comienzo de YCL SummerQuest. El tema de este año es Tails & Tales para todos los grupos, desde niños hasta adultos. Regístrese en Beanstack para registrar sus minutos y luego visite la biblioteca para ver cuáles son sus premios. Habrá muchos programas virtuales a los que asistir para niños de todas las edades. Martin Library verá mucha construcción durante el verano. Esté atento a las señales que le informarán de todos los cambios. La fotocopiadora se trasladará al atrio y no tendremos fax hasta el otoño. Tenga paciencia con nosotros a través de estos cambios.

Beanstack!

Used for various York County Libraries' programs, Beanstack is the go-to source for logging and discovering books, tracking your reading, and participating in reading challenges. While this source is used for programs such as SummerQuest and 1000 Books Before Kindergarten, Adults, you can also join the SummerQuest reading challenge.

Resource Review

For assistance ask Information Services staff at askalibrarian@yorklibraries.org how to access these databases through the YCL website.
<https://www.yorklibraries.org/tools-for-research/#informationliteracy>

Create your account today with a York County Libraries card. Available on desktop or mobile via the Beanstack Tracker App. Need help with Beanstack? Check out our Beanstack Tips page for step-by-step tutorials.
